

The Energy Advocates and the Tulsa Beacon would like to thank the utility companies and the utility workers that worked tirelessly to restore power to Oklahoma after the state's bout of severe weather.

Thank You!

Visit our new website at www.energyadvocates.org for a complete listing of those involved with this effort.

The Energy Advocates supports all forms of domestically produced energy.
For more information, visit energyadvocates.org.

The Energy Advocates
America Needs America's Energy!
All Forms.
All American.
